

LEGAL TENANCY STATEMENT - PRIORITY

This form is used when a priority applicant is applying for both an original and an intercounty transfer of a license of the same type (for example, an original and an intercounty Off-Sale General license).

DISTRICT OFFICE	DATE

PRIORITY APPLICANT NAME (Last) (First) (Middle Initial)

LICENSE TYPE

PROPOSED PREMISES ADDRESS (Street Number and Name) (City) (State) (Zip Code)

I understand that I must submit evidence that I have legal tenancy of both premises to be licensed. Such written evidence is to be in the form of a written lease, deed or escrow to purchase the property, and I will furnish this to the Department prior to the date of the priority drawing. I am also aware that failure to produce the above documentation prior to the drawing will preclude me from seeking any change of location after the drawing.
