TO: SHERIFFS AND POLICE CHIEFS OF CALIFORNIA

FROM: LORI AJAX, DEPUTY DIVISION CHIEF

SUBJECT: MINOR DECOY/SHOULDER TAP GRANT PROGRAM

Beginning January 2014, the Department of Alcoholic Beverage Control (ABC), sponsored by the Governor's Office of Traffic Safety, through the National Highway Traffic Safety Administration, will be awarding grants of \$2,500 to \$10,000 to local law enforcement agencies to utilize both the Minor Decoy Program and the Shoulder Tap Program. The grant operation period will be February 1, 2014 through June 30, 2014.

The goal of the Minor Decoy Program is to reduce the number of licensees who sell alcoholic beverages to minors. The Minor Decoy Program is a significant and effective tool for law enforcement officials in combating sales of alcoholic beverages to persons under the age of 21 years. Local law enforcement agencies began using the program in the early 1980's and on April 4, 1994, the California Supreme Court issued a unanimous decision upholding the use of underage decoys by law enforcement officials.

As a result of the 1994 California Supreme Court decision, minor decoys used by local law enforcement agencies are immune from prosecution. Further, Section 25658(f) of the Business and Professions Code and Rule 141 of the California Code of Regulations were established to provide the legal requirements for law enforcement agencies when conducting a decoy operation.

The Shoulder Tap Program targets adults who furnish alcoholic beverages to minors. "Shoulder Tapping" refers to the practice used by minors to obtain alcohol from adult strangers near off-sale retail outlets. An underage decoy approaches adults outside an alcohol outlet and requests that the adult purchase alcohol on their behalf. Data collected from prior Shoulder Tap Programs reflected one-third of the adults arrested for purchasing alcohol for minors were on parole, probation, had outstanding warrants or extensive criminal histories.
