2016 Moratorium Counties/Cities

2016 Moratorium Figures – Section 23817.5 B & P Code

On January 1, 1998, Section 23817.5 was amended to permanently establish a moratorium on the issuance of off-sale beer and wine licenses (Type 20) in cities and counties where the ratio of Type 20 licenses exceed one for each 2,500 inhabitants.

In the city and county of San Francisco, the ratio has been established as one for each 1,250 inhabitants. The San Francisco computation combines off-sale beer and wine licenses with off-sale general licenses for the purpose of establishing the ratio.

Enclosed are the following lists and a map showing the new Type 20 license limitation data:

- List of Counties with their moratorium status.
- List of Cities in Counties with partial moratorium status.
- Summary of Changes to Moratorium Counties/Cities.

Please note the changes in moratorium counties compared to the 2011 list. There have been changes in some of the cities within the current 11 non-moratorium counties. Placer County was also added to the non-moratorium list this year with three cities under moratorium.

The new moratorium lists are effective as of December 15, 2016 and will be in effect until recalculated in approximately five years, in accordance with Section 23817.9.

The enclosed lists and map may be distributed to all interested parties.

If you have any questions or need additional information, please contact Debbie Holden.
