

ABC Announcement:

Due to the wildfire emergencies taking place throughout the Northern Bay Area, the California Department of Alcoholic Beverage Control's (ABC's) Santa Rosa District Office, located at 50 D Street, Santa Rosa, will remain closed until further notice. However, anyone in need of ABC services is invited to contact any ABC District Office throughout the state for assistance. The phone numbers, addresses and contact information for all ABC offices can be found at: <http://www.abc.ca.gov/ContactUs.html>

In addition, the Department has indefinitely postponed the Priority License drawings for Marin, Napa and Sonoma Counties that were scheduled to take place Tuesday, October 10, 2017 at the Santa Rosa district office. Once rescheduled, the department will publicly announce the date, time and location of the drawings well in advance.

The department's thoughts and concerns are with all Californians who have been affected by the wildfires burning throughout the state.
