ABC Revokes Quick Trip Mini Market License near Redding

Store sold alcohol to minors three times in one-year period

Redding- On June 6, 2006, the Department Of Alcoholic Beverage Control revoked the alcohol license of the Quick Trip Mini Market located at 5950 Oasis Road near Redding. The revocation resulted from three separate sales of alcoholic beverages to minors within a one year period.

The owner of the store can continue to sell groceries and other items but will not be allowed to sell alcohol again nor can the owner sell the license to another person. There will not be any alcohol sold at the store for at least a period of one year and the ABC must approve any new license for any individual who might apply for a license and wants to sell alcohol at the current location.

“This action is part of the department’s statewide effort to increase compliance with the law through strong enforcement. ABC wants to send a very clear message that selling or furnishing alcohol to minors will not be tolerated,” said ABC Director Jerry Jolly.
