ABC Re-Opens Two Offices in San Diego County

San Diego and San Marcos Offices are Open Again for Business

San Diego - The California Alcoholic Beverage Control (ABC) has re-opened two offices in San Diego County after briefly closing them because of the devastating impact of the Southern California wildfires.

The two offices that have re-opened are:

The San Diego Office located at 1350 Front Street, Room 5056, San Diego

The San Marcos Office located at 334 Via Vera Cruz, Suite 204, San Marcos

Both offices have limited staffing today but are providing basic services at this time.

The Department also had to postpone its annual drawing for new general licenses that was scheduled for yesterday in the San Diego Office. The Department will reschedule the drawing as soon as it can. All those who planned to attend were notified on Monday or Tuesday.

ABC is a department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet.
