San Diego Annual Drawing for Licenses Re-Scheduled

Drawing for Alcoholic Beverage Licenses was Postponed Because of Recent Fires

San Diego - The California Alcoholic Beverage Control (ABC) has re-scheduled the annual drawing for new licenses in the San Diego and San Marcos Districts for Friday, November 16, 2007, at 10:30am at the Department's San Diego Office located at 1350 Front Street, Room B109- Basement Auditorium .

The event was postponed when ABC closed its San Diego and San Marcos Offices October 23, 2007, because of wildland fires.

Each applicant will have their own label put into their own individual plastic container within the tumbler. The containers will be tumbled and then individually withdrawn one by one from the tumbler by a neutral third party from outside ABC.

The number drawn by the neutral third party shall indicate the priority position of the applicant, but shall not insure the issuance of a license by the Department.

Following the drawing, a list of the priority positions will be posted in the district office and on the ABC public website at www.abc.ca.gov.

ABC is a Department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet.
