License Suspended at Redding Bar for Disorderly Conduct
“Rumors” will not be able to sell Alcohol for 30 Days

Redding - Investigators of the California Department of Alcoholic Beverage Control (ABC) today posted a Notice of Suspension at “Rumors,” an ABC licensed business located at 2611 Bechelli Lane in Redding, California because of numerous problems at the bar.

The action was taken after an investigation by ABC Investigators with enormous help from the Redding Police Department. The license has been suspended because the bar has been allowing too much disorderly conduct including fights, public drunkenness and other problems that created a drain on local law enforcement resources. “During the last 15 months, the Redding Police Department has responded to Rumors in excess of 180 times, which puts a tremendous strain on our resources,” said Redding Police Chief Leonard Moty.

In addition to disorderly problems, ABC was able to substantiate that the bar sold alcoholic beverages to two individuals who were obviously intoxicated, a violation of the California Business and Professions Code.

The alcoholic beverage license has been suspended for 30 days which means no alcoholic beverages will be sold during this time.

ABC initiated the investigation after receiving complaints about the location in the community. ABC investigators went undercover on 3 occasions to develop information that led to the license suspension.

ABC is a Department of the Business, Transportation and Housing Agency under the direction of Secretary Dale E. Bonner, a member of the Governor’s Cabinet.
