**License Suspended at Monrovia Bar for Multiple Violations**  
*“Brass Elephant” will not be able to sell Alcohol for 20 Days*

**Monrovia** - Investigators of the California Department of Alcoholic Beverage Control (ABC) today posted a Notice of Suspension at the Brass Elephant, an ABC licensed business located at 311 West Foothill Blvd in Monrovia, California because of numerous violations of California’s alcoholic beverage control laws.

The action was taken after an investigation by ABC Investigators. The license has been suspended because of disorderly activity between January 2004 and March 2006, ABC Investigators cited the Brass Elephant for excessive calls for police services, disturbances to the neighborhood, permitting consumption of alcoholic beverages in an unlicensed portion of the business, delayed and obstructed a police officer during the course of an investigation and failing to permit an examination of books and records, all violations of the California Business and Professions Code.

The alcoholic beverage license has been suspended for 20 days which means no alcoholic beverages will be sold during this time.

ABC initiated the investigation after receiving complaints about the location from the community. ABC examined numerous incidents at the premises and also went undercover to develop information that led to the license suspension.

ABC is a Department of the Business, Transportation and Housing Agency under the direction of Secretary Dale E. Bonner, a member of the Governor’s Cabinet.
