ABC License Suspended at Ontario Establishment
Location will not be able to sell alcohol for 25 day period

Ontario- Investigators of the California Alcoholic Beverage Control (ABC) have posted a Notice of Suspension at a licensed establishment named Dave and Busters located at 4821 Mills Circle in Ontario.

The action was taken by ABC Investigators on Thursday, February 7, 2008 because of illegal activity that occurred at the location. ABC filed an accusation claiming the establishment was operating a disorderly house because it had become a law enforcement problem.

Over the past two years, the Ontario Police Department responded numerous times to this location for various problems including fights and public drunkenness.

The alcoholic beverage license has been suspended for 25 days. The suspension means no alcoholic beverages will be sold at this location during that time.

ABC initiated the investigation after receiving complaints about the location in the community.

ABC is a Department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet.
