ABC Suspends License of Chico Establishment
Location is not to sell alcohol for 15 day period

Chico- Investigators of the California Alcoholic Beverage Control (ABC) have posted a Notice of Suspension at a licensed establishment named Crush 201 located at 201 Broadway in Chico.

The action was taken by ABC Investigators on Tuesday, June 3, 2008 because of condition violations that occurred at the location. ABC filed an accusation claiming the establishment was serving alcohol after 11pm which is in violation of the operating conditions that the owner agreed to. In addition, the licensees operated the business after 10pm as a night club.

The alcoholic beverage license has been suspended for 30 days with 15 of the days stayed (probation) to make sure these types of violations do not occur within the next year. The suspension means no alcoholic beverages will be sold at this location during that time.

ABC initiated the investigation after receiving complaints about the location from members of the community.

ABC is a Department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet.
