**ABC Investigators Suspend License of Foxy Lady Cocktails for Illegal Activity**

**Shafter** – ABC Investigators have posted a notice of suspension at Foxy Lady Cocktails located at 308 State Avenue in Shafter because of sales of illegal narcotics.

The suspension is a result of a two month investigation where ABC investigators purchased marijuana from a bartender employed at Foxy Lady and also purchased illegal drugs from some patrons.

The disciplinary action means no alcohol sales are currently allowed at the location.

The suspension takes effect immediately and will last for an indefinite period of time until the current owner can transfer the license to another person or group of persons acceptable to the department. Anyone who purchases the existing license must go through an ABC background investigation before the license can be issued.

ABC initiated the investigation due to heightened concern about the location in the community. ABC investigators went undercover multiple times.

ABC is a department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet
