PR 13-05***A Record Setting 506 Arrests are made in California Decoy Shoulder Tap Operation
ABC, Modesto & Ontario Police join with over 100 agencies to arrest those who buy alcohol for minors***

(Northern California) - Agents from the California Department of Alcoholic Beverage Control (ABC) and Officers from the Modesto and Ontario Police Departments joined forces with over 100 law enforcement agencies in a record-setting Decoy Shoulder Tap Operation in California.

The task force operation was conducted on Friday, March 15, 2013 and resulted in 506 arrests. The arrest total shattered last year's record operation that concluded with 435 arrests. Over 400 individuals were cited for furnishing alcoholic beverages to minors, and at least 50 were arrested for other crimes such as illegal drugs, illegal gun possession, public drunkenness, parole violations and outstanding warrants. The operation was conducted statewide for the second time ever.

ABC agents and local law enforcement conducted a program called a Decoy Shoulder Tap Operation which can lead to the arrest of adults who purchase alcohol for people under 21 years old. Under the program, a minor under the direct supervision of a peace officer will stand outside a liquor or convenience store and ask patrons to buy them alcohol. The minor indicates in some way he or she is underage and cannot purchase the alcohol.

If the adults agree to purchase alcohol for the minor, officers then arrest and cite them for furnishing alcohol to the minor. The penalty for furnishing alcohol to a minor is a minimum \$1000 fine and 24 hours of community service.

The program is intended to reduce the availability of alcohol to minors. According to the American Medical Association, underage drinking can increase chances of risky sexual behavior and teen pregnancy, juvenile delinquency, compromise health, and result in unintentional injury and death.

Many local operations were funded by the California Alcoholic Beverage Control through the department's Grant Assistance Program (GAP), and some were funded by the California Office of Traffic Safety (OTS) through the National Highway Traffic Safety Administration (NHTSA). ABC is a Department of the Business, Transportation and Housing Agency.
