PR 14-1**ABC Suspends License of El Herradero in Santa Clara for Indefinite Period**
Santa Clara business will no longer be able to sell alcohol

SANTA CLARA – Agents of the California Alcoholic Beverage Control (ABC) posted a Notice of Suspension at El Herradero, a restaurant located at 2103 Scott Blvd. in Santa Clara. The license of El Herradero has been indefinitely suspended for allowing the sale of illegal drugs on the premises. Undercover ABC Agents and local law enforcement agencies visited the premises multiple times during a three month operation. In addition, the premises failed to operate as a bona fide restaurant, allowed illegal drink solicitations, permitted a minor to consume alcoholic beverages in the premises, allowed lewd conduct, and the owner purchased alcoholic beverages for resale from someone other than a wholesaler.

ABC filed an accusation against the business for the above violations and the owner stipulated to an indefinite suspension of the license to allow for a transfer to another individual or other individuals at a different location.

The license was suspended on Thursday, January 2, 2014.

ABC is a Department of the Business, Consumer Services, and Housing Agency
