ABC Indefinitely Suspends “Paper Moon” License

(San Bruno, CA)- On July 18, 2014, Agents of the California Department of Alcoholic Beverage Control (ABC) posted a notice of indefinite suspension at “Paper Moon” located at 448 San Mateo Avenue in San Bruno, CA.

The indefinite suspension is the result of an investigation conducted by the Department after learning of the establishment’s burden on the San Bruno Police Department. Ultimately, an accusation was filed by the Department alleging the business created a law enforcement problem for the police department while operating in a disorderly fashion.

The investigation revealed the police department responded to an abnormally high number of calls for service at the premise during the time frames reviewed by the Department. Moreover, many of the calls for service were violent in nature and the frequent calls for services caused a drain on law enforcement services.

Under the terms of the stipulated decision set forth by the Department, the license has been ordered revoked; however, the revocation will be stayed for a period of one year to allow the owner of the ABC license to transfer the privileges to a new owner at a different location. The license will remain suspended until the license transfer is complete or the one year period lapses at which point the license will revoke if it has not transferred.

The licensee suffered previous discipline in 2011 unrelated to this investigation.

ABC is a department of the Business, Consumer Services and Housing Agency.
