Illegal Solicitation of Alcoholic Beverages Leads to Restaurant & Bar Closure *ABC Posts 30 Day Suspension at La Defence Korea Restaurant & Bar*

Los Angeles - Agents of the California Department of Alcoholic Beverage Control (ABC) have posted a 30 Day Notice of Suspension at the La Defence Korea Restaurant and Bar located at 3701 Wilshire Blvd, Suite 101 in Los Angeles. Effective immediately the business is prohibited from serving or selling alcohol.

The license was suspended because female employees at the business were illegally soliciting the sale of alcoholic beverages from patrons, including undercover Los Angeles Police Officers. The employees would add a surcharge to their alcoholic beverages for keeping male patrons company and receive a cash payment for these services. Such practices can contribute to the over-service of alcohol and endanger the public.

ABC is a Department of the Business, Consumer Services and Housing Agency.
