Lewd Conduct and After Hours Drinking Results in Liquor License Suspension *ABC Shuts Down the BBoss Restaurant and Bar in San Jose Indefinitely*

SAN JOSE – On May 1, 2015, Agents of the California Department of Alcoholic Beverage Control (ABC) posted a Notice of Suspension at the Bboss Restaurant and Bar located at 385 North Capitol Avenue in San Jose for continually violating several provisions of the ABC Act.

Effective immediately, the sale or service of alcohol is prohibited at the business during the indefinite license suspension. The owner of the license agreed to the penalty and has one year to transfer the license to another person and location in Santa Clara County acceptable to the department.

An undercover investigation conducted by ABC agents in late 2014 revealed that employees were engaged in lewd conduct and illegal sexually-oriented entertainment on the premises. The business was also selling alcohol during restricted hours and allowing noise to emanate beyond the area under its control, disturbing the surrounding community.

The business's ABC license was suspended for 30 days in early 2014 for similar violations.

ABC is a Department of the Business, Consumer Services, and Housing Agency.
