ABC Posts License Suspension in San Jose

ABC takes action on After Hours Alcohol Sales, Lewd Conduct, Exceeding License Privileges

SAN JOSE – On December 8, 2015, Agents of the California Department of Alcoholic Beverage Control (ABC) posted a notice of suspension at an ABC licensed business in the city of San Jose.

Agents posted a 30 day suspension at Titi restaurant and nightclub located at 1560 North 4th Street in San Jose. ABC filed an accusation against the business for violations involving lewd conduct, alcohol service during restricted hours, and selling distilled spirits when the license only allowed for the sale of beer and wine. The business is also on probation for two years and if more violations occur, ABC could pursue additional disciplinary action against the business.

Undercover investigations conducted by ABC agents and San Jose Police in recent months revealed the violations at the business. ABC is a Department of the Business, Consumer Services, and Housing Agency.
