ABC Suspends License of the Corner Bar in Yuba City

Suspension for business operated as a 'Disorderly House'

(Yuba City) –The Department of Alcoholic Beverage Control (ABC) today suspended the alcoholic beverage license of the Corner Bar at 215 Fairman Street in Yuba City. Effective immediately the business is prohibited from selling or serving alcoholic beverages for the next 15 days. Additionally, the license is placed on probation for one year.

Today's suspension is the result of a several month investigation conducted by the ABC and the Yuba City Police Department focusing on disorderly activities occurring at the business. The Police Department was required to respond to the business numerous times for incidents such as fights, assaults, public drunkenness, disturbing the peace and a shooting in front of the bar that occurred in May of this year.

ABC protects communities through excellence in education and by administering prevention and enforcement programs designed to increase compliance with California's alcoholic beverage laws.
