

STATE OF CALIFORNIA
DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL
Alcoholic Beverage Licenses
as of June 1, 1980

The attached report lists types of alcoholic beverage licenses and the number of active licenses of each type as of June 1, 1980.

The report is in three parts:

- Page 1: a list of statewide totals
- Pages 2-29: a list of totals by county
- Pages 30-149: a list of totals by incorporated and unincorporated areas within each county

Licenses not included are duplicate licenses, caterer's permits, copies of public warehouse licenses, temporary retail permits, special daily licenses, non-renewed licenses and pending applications.

If there are no active licenses of a particular type, that type will not be shown on the report. Similarly, if an incorporated area has no licensed premises within its boundaries, its name will not be listed.
