ABC Investigators Suspend License of Be Back Bar in Covina for Illegal Activity

Covina – ABC Investigators have posted a notice of suspension at the Be Back Bar located at 148 Shoppers Lane in Covina because of sales of illegal drugs.

The 35 day suspension takes effect immediately. The disciplinary action is a result of a three month investigation where ABC investigators discovered that employees at the bar allowed the sale of marijuana by patrons inside the bar.

The disciplinary action means no alcohol sales are currently allowed at the location until the suspension period is over. In addition, the bar is on probation for the next three years. If any illegal drug sales occur at the bar in the next three years, ABC can revoke the license.

ABC investigators went undercover multiple times to develop information on the case.

ABC is a Department of the Business, Transportation and Housing Agency.
