ABC Suspends License of Cigarette Xpress in Mountain View for 20 Days

(Mountain View) – On November 21, 2013, the California Department of Alcoholic Beverage Control (ABC) suspended the alcoholic beverage license of Cigarette Xpress located at 1313 West El Camino Real #B in Mountain View.

The license is suspended for 20 days. The owner of the store cannot sell alcohol until the suspension period is over. Additionally, the store will be on probation for a period of one year.

The enforcement action is the result of the licensee operating an unlicensed warehouse. The investigation found that three (3) distributors were delivering alcoholic beverages to the unlicensed warehouse. The investigation also revealed that the owner was illegally selling distilled spirits to other retail licensees.

ABC is a Department of the Business, Consumer Services and Housing Agency.
