ABC Suspends License of the Playland Bar for 30 Days

Illegal Sales of Cocaine and Marijuana Allegedly Took Place Inside the Business

San Francisco - On February 4, 2015, Agents of the California Alcoholic Beverage Control (ABC) posted a notice of suspension at Playland, a bar located at 1351 Polk Street.

The 30-day license suspension is the result of an undercover investigation conducted by Department agents in 2014. Ultimately, an accusation was filed by the Department alleging that the bar permitted an employee to negotiate the sale of cocaine and marijuana inside the business.

The owner of the bar's alcoholic beverage license agreed to a 30 day suspension and a probation period of two years. If similar violations are discovered during this two year period, ABC has the authority to permanently revoke the license.

ABC is a Department of the Business, Consumer Services and Housing Agency.
