

Online Catering Authorization Application Instructions

Licensees with an active Caterer's Permit (Type 58) must obtain authorization from ABC for each catered event. Please see our [Caterer's Permit](#) page for information on caterer's permits, including who is eligible, how to apply, and legal requirements.

To apply online, you must add your license number with an active Type 58 to your Online Services account with a License Administrator role. Please review the License Administrator [Frequently Asked Questions](#) for information about creating an Online Services account with the License Administrator role.

Apply for a Catering Authorization Application

Log in to services.abc.ca.gov

Select **Manage** and click **Applications**.

Select your license number from the Catering Authorization dropdown menu.

A screenshot of the "Applications" page on the ABC's Online Services. The page has a blue header with the word "Applications" in large blue text. Below the header, it says "Welcome to ABC's Online Services Applications". The main content area is divided into two columns. The left column is titled "Catering Authorization". The right column contains a message: "You must have an active Caterer's Permit (Type 58) to apply for catering authorizations. Each catered event must be approved by ABC. For more information, please visit [Caterer's Permits](#)." Below this message is a dropdown menu labeled "Select a license" with a search icon. The dropdown menu is open, showing a list of license numbers and names, with "177348 - Steven Young" selected.
